

The **closest parking** is directly across at 645 Fisgard St (the City of Victoria parking lot that serves City Hall and Centennial Square). It has 24 hr. parking at an hourly rate. After six hours, the full day rate is \$12, and the parking attendant is paid on the way out by cash, credit card or personal cheque.

Less expensive parking is available at the Robbin's Parking U-Park lot on Herald Street (between buildings 618 & 648, just uphill from Fountain Tire) for \$6.50 per day, coins or credit card in the meter. There are also two other Robbin's lots at the intersections of Fisgard and Store Streets. Half of the former Hudson's Bay Company Parkade is still operational during current construction.
